BURLINGTON, Vt. (WCAX) Police are hoping to identify a suspect they say is ripping off hotels around our region.

Burlington Police say earlier this month, the man defrauded both the Courtyard by Marriot and Hotel Vermont in Burlington. They say he stayed at the hotels, ordered extravagant meals, made gift shop purchases and ordered massages. He stayed at each for 2-3 days before possibly moving on to other hotels in the state. 

Call police if you can help identify the suspect.
